

## HOSPITAL AUTHORITY DRUG FORMULARY

(v20.5 - w.e.f. 26 Apr 2025)

new drugs listed highlighted in "yellow" color

- (1) The drugs may either be listed as generic or proprietary names, where appropriate. Brand names listed serve as reference only, they do not necessarily indicate the availability of that particular brand.
- (2) Some drugs may appear in more than one category due to different formulations and/or indications.
- (3) The "Special" drugs will be prescribed as clinically indicated based on the specified indications.
- (4) Based on operational logistics and needs, individual cluster/hospital may only stock part of the drugs listed in the HA Drug Formulary.
