

PRESS RELEASE 新聞稿

Hospital Authority Building, 147B, Argyle Street, Kowloon, Hong Kong

二〇〇三年九月十六日（星期二）

編輯注意：

瑪嘉烈醫院為一名因有發燒和肺部 X 光檢查有陰影，並由衛生署轉介至該院的病人進行的冠狀病毒快速測試，結果呈陰性。現時正等待衛生署的測試結果，屆時將會再公布。

Attention News Editors:

The rapid test conducted by Princess Margaret Hospital for a patient who was admitted to the hospital because of fever and radiographic evidence of lung infiltrates and referred from the Department of Health was negative for coronavirus. Department of Health will also conduct test for the patient for confirmation, and results will be announced when available.
