

Arrangement for booking of consultation service at General Out-patient Clinics by persons infected with COVID-19

The Hospital Authority's (HA) General Out-patient Clinics (GOPCs) has helped provide treatment for persons infected with COVID-19. Suitable infected persons will be prescribed with antiviral oral drugs and receive other relevant treatments. The booking arrangement is as follows:

- Infected persons can make appointments through the "BookCOVID" function in the HA's one-stop mobile app "HA Go" or the GOPC Telephone Appointment System
- Infected persons with mild symptoms can also visit private doctors for the prescription of COVID-19 oral drugs. Please refer to the list of private doctors through the hyperlink: www.coronavirus.gov.hk/pdf/tp_pd_antiviral.pdf
- For details of the GOPC services and other related information, please visit the GOPC website: <https://www.ha.org.hk/goto/gopc/en>
