

HA New Chairman: Prof John Leong Chi-yan

The Government announced today the appointment of Professor John Leong Chi-yan as the Hospital Authority's new Chairman for a tenure of two years with effect from 1 Dec 2013.

Professor Leong is an internationally renowned orthopaedic clinician-scientist. He has served as a member in the first term of the HA Board from December 1990 until November 1991. He has also been serving as Hospital Governing Committees (HGC) Member of various public hospitals since 1991 and was the chair of the HGC of Castle Peak Hospital.

The current Chairman Mr Anthony Wu sent out an email to all colleagues this morning noting that his term as Chairman would expire at the end of November. He believed that Professor Leong would bring HA to new heights. He thanked all colleagues for their support over the years and regarded his time with HA as his cherished memories.
