

Arrangement for distributing specimen collection packs and collecting specimens for COVID-19 test at 47 general out-patient clinics

To tie in with the Government's epidemic control strategy, the Centre for Health Protection (CHP) of the Department of Health has extended the "Enhanced Laboratory Surveillance Programme" to provide COVID-19 test for individuals who perceive themselves to have higher risk of exposure and experience mild discomfort. The Hospital Authority (HA) assists the CHP in setting up distribution points of specimen collection packs and collection points of specimens at 47 general outpatient clinics (GOPCs) (see appendix), so as to facilitate members of the public to obtain the packs and submit the specimens. The arrangement is as follows:

- Distribution time of the specimen collection packs at 47 GOPCs:
 - Monday to Friday (except public holidays) 9:00am to 1:00pm and 2:00pm to 5:00pm;
 - Saturday (except public holidays) 9:00am to 1:00pm;Members of the public may also obtain the specimen collection packs at some selected GOPCs from 9:00am to 1:00pm on Sunday and public holidays;
- Only one pack will be taken by each person while stocks last;
- Participants should collect and submit the specimen within two days, with the necessary information for laboratory tests, to the designated collection points.

Collection time of the specimen at 47 GOPCs:

- Monday to Friday (except public holidays) 9:00am to 1:00pm and 2:00pm to 3:00pm;
 - Saturday (except public holidays) 9:00am to 11:00am;
- Members of the public may also submit the specimen at some selected GOPCs from 9:00am to 11:00am on Sunday and public holidays;
- All specimens collected will be sent to local accredited laboratories in private sector for COVID-19 test. In case of positive response to COVID-19, relevant results will be reported to CHP according to prevailing mechanism for further verification, and inform the relevant persons and arrange admission to public hospital for management. If a submitted specimen tests negative, concerned individual shall receive SMS notification within 3 days after the submission;
 - For infection control and public safety, members of the public are reminded to wear masks and maintain social distance while collecting the specimen collection packs or returning the specimens.
