### **HA Staff Commended for Outstanding Performance**

The Hospital Authority (HA) today (May 16) announced the results of the HA Outstanding Staff and Teams Award and Young Achievers Award for 2023. This year, eight outstanding staff, 10 outstanding teams and 11 young achievers (the list of awardees is appended) from 17 hospitals in all seven clusters and Head Office, have been awarded for their outstanding performances, provision of quality patient-centred care, enhancing team spirit and improving the overall operational effectiveness of the organisation. The awardees are from different grades, including medical, nursing, allied health, administration and supporting staff groups.

Since 1993, the HA has been organising this staff reward and recognition programme annually to commend outstanding staff members and teams. To encourage the young generation, the HA added a new category, “Young Achievers Award”, since 2018 to recognise the good performance of the new generation of the workforce.

The 2023 Outstanding Staff and Teams and Young Achievers Award Selection Panel was chaired by HA Board Member Ms Margaret Cheng, who said, “All awardees have upheld their professionalism during the epidemic with dedication and perseverance, so as to protect the health of every Hong Kong citizen, which is truly commendable.”

Other members of the Selection Panel included HA Board Member Ms Maisy Ho; the HA Chief Executive, Dr Tony Ko; the Hong Kong East Cluster Chief Executive, Dr Loletta So; awardee of the HA Outstanding Staff Award 2022, Dr Chan Ngai-yin and the Head of Human Resources, Mr David Mak.

The awards received an overwhelming number of nominations this year, with total of 68 submissions received. Contributions of participants to the following core values of the HA were adopted as the selection criteria for the Outstanding Staff and Teams by the selection panel:

1. People-centered Care
2. Professional Service
3. Committed Staff
4. Teamwork

As for the “Young Achievers Award”, awardees were able to demonstrate the HA core values, possess the attributes of being an advocate for his/her profession and could always energise the team, think out of the box and be a good communicator.
